

The Woodlands
COUNTRY CLUB

Dear STPGA Member,

My name is Darrell Fuston and I am the Director of Golf at The Woodlands Country Club. I am running for an at-large position on the STPGA Board of Directors. I would like to take a moment to share my history with you and why I am looking to continue to serve to section.

I am a 27 year PGA Member that has been a member of the Southern California, North Texas, Southwest and Colorado sections before joining the South Texas section in January 2008. For the past 4 years I have served on the STPGA Board as Vice-President and President of the Eastern Chapter. During the last 4 years I have been honored to be a part of the Board that has seen great change occur in our section. The purchase of our new Home Office, hiring of a new Executive Director as well as seeing our financial stability continue to grow. During the last 4 years we have also experienced new challenges in our Tournament program and ever changing Education and Employment landscape. I have been intimately involved in all of these areas and would love to continue to see these areas improve for all PGA Members.

Above all else I want to represent you the PGA member and your interests as we continue to improve Tournament Schedule/Purses, Education opportunities tailored to your interests and goals and make sure that our members are best prepared for the Employment opportunities as they become available in the marketplace.

I ask for your support in my desire to continue to serve the Southern Texas PGA.

Thank you for your consideration!

Sincerely,

Darrell Fuston, PGA
Director of Golf
