Dear Southern Texas PGA Members,

I would like to declare my candidacy for a Director At-Large position.

Miramont Country Club has been my home course for four years. Three other clubs make up my tenure of nearly 20 years in the industry – The Golf Club at Newcastle, Kukio Golf and Beach Club, and Vaquero Club. I became committed to a career in golf when I realized I had the opportunity to improve the free time of those around me. I feel confident in representing the next generation of Section leadership while learning from the experienced Board of Directors that are already in place.

My career has been built on service and I am ready to apply those same practices to caring for my fellow Golf Professionals. I embrace objectives and challenges, take them personally while addressing and working towards resolutions. My ability to draw perspective on multiple sides of any topic are a strength I will apply in this role. My financial acumen has proven strong throughout my career by finding innovative solutions to increase expenses resulting in additional interest and supportive revenues.

The STPGA Strategic Vision will be an incredible guide to our Section moving forward. In reviewing the content and values associated, it is apparent to me that we will be focusing on key relationships in order to reach many of our goals. With competitions, I see the need to strengthen rapport with a full rotation of host sites and continuing to build trust for stewardship when we fly the STPGA flags. For fundraising, the opportunity to leverage our exposure to resources within our customer bases in an effort to support our junior golf programming. It is clear that if we strengthen the ties among our Southern Texas PGA family, this vision's components will come into fruition through involvement by a larger group than ever before.

I love the game of golf, golf courses, being around golfers and spending time with Golf Professionals. This is what continues to fuel my passion each day and motivate me to make our Section better for current and future Members and Associates. I would appreciate your support in securing this Director At-Large position at the STPGA Annual Meeting. Please feel free to contact me directly if you would like to further discuss my qualifications.

Sincere Regards,

Rob Yee
Director of Golf
Miramont Country Club
